

Bianco Ral 9003  
White Ral 9003

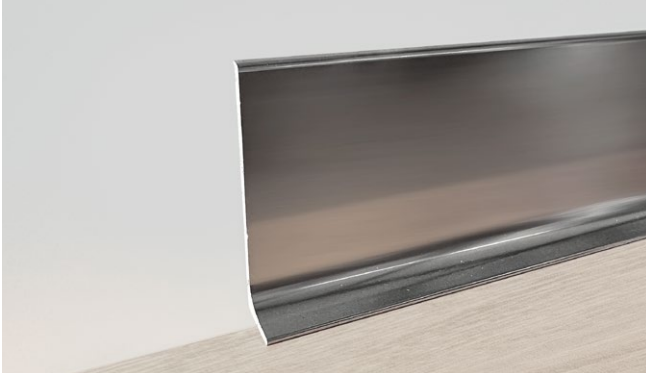

ALLUboard®

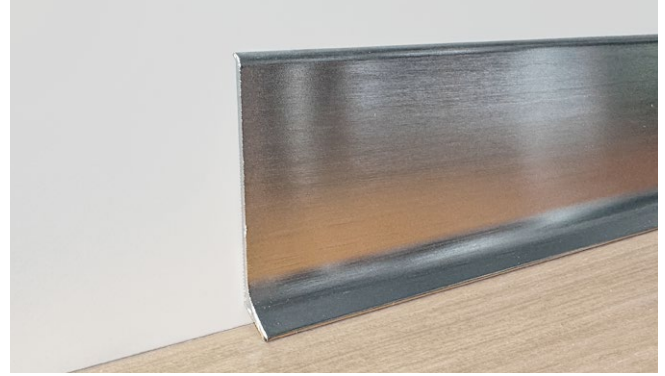

Battiscopa in lega di alluminio estruso anodizzato e brillantato in molteplici finiture, tra cui i nuovi colori titanio, rame e grigio antracite; lo stile e il design di finiture ricercate, danno a questi profili la capacità di arredare l'ambiente circostante. Disponibili angoli e raccordi di chiusura per una facile e precisa installazione.

Skirting in extruded aluminum alloy, anodised and polished in multiple finishes, including the new colours of titanium, copper and grey anthracite. The style and design of the sophisticated finishes make these profiles furnish the surrounding environment.

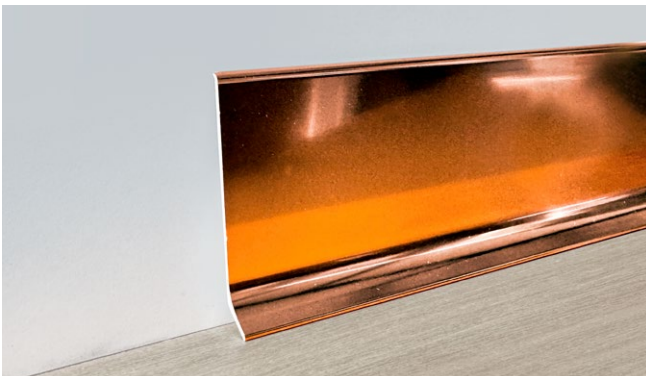

Corners and end caps are available for easy and accurate installation.

Argento brillantato lucido  
Silver sparkling polished

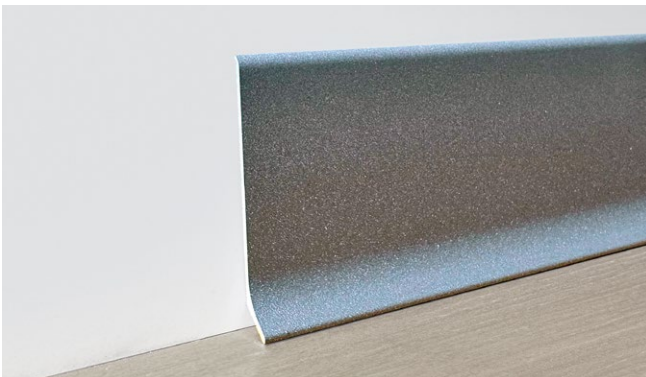

Argento brillantato spazzolato  
Silver sparkling brushed
